Home Care

Our Home Care program provides in-home services and supports so you can live safely and comfortably in your place of choice with dignity and independence.

Senior Care Options

Let us help you access health plan and social services and supports in one, simple program - Senior Care Options.

Options Counseling

Our options counselors work with you and your family to connect you to community resources and supports.

A woman with short grey hair and glasses, wearing a plaid shirt and a white vest, is looking down at a list she is holding in a grocery store. The background shows shelves of fresh produce, including green leafy vegetables and yellow bell peppers.

Nutritional Assistance

We can see if you qualify for SNAP benefits (formerly food stamps) and help you apply.
