CONVERSATION ON AGING: THE 10 WARNING SIGNS OF ALZHEIMER'S

Currently, an estimated 50 million people worldwide are living with dementia, including more than 5 million Americans.

Join us on **Friday, February 18, 2022, from 1:00 PM to 2:30 PM, for "The 10 Warning Signs of Alzheimer's"** the next virtual presentation in our long-running Conversations on Aging event series. Representatives from the Alzheimer's Association will review the list of warnings signs they created with experts in the field, to help people identify symptoms that may be related to Alzheimer's or another dementia.

This presentation will be held via Zoom. There is no cost to attend but you must register in advance.

Presenter: Tyler Alston-Swan, Diversity Outreach Coordinator
Program available through Zoom.
