

'Tis the Season for Physical & Mental Health

From the Desk of Ani Aroian, Registered Dietitian, LDN, MPH

Throughout life, but especially during the winter holidays, it's important to have balance in your daily routine. For example, exercising regularly and eating nourishing meals help us stay physically fit. Equally important, breaking bread with our community and spending time with loved ones help us stay mentally fit. Here are a few ways to help you practice balance in life:

- Eat and drink consistently throughout the day. Don't skip meals.
- Eat a combination of nourishing and delicious foods.
- Exercise daily, at least 30 minutes.
- Socialize with others. Phone a friend or attend holiday events.
