**Stay Food Safe this Winter: Messages from the Massachusetts Partnership of Food Safety Education**

During a power outage, your refrigerator keeps food safe up to 4 hours if it's kept closed. After that, discard refrigerated perishable food such as meat, poultry, fish, eggs & leftovers. Do not place perishable food out in the snow since outside temperatures can vary, and exposed foods can lead to unsanitary conditions and animals. If the power goes out, use perishable and refrigerated foods first. Then, use the foods from the freezer, followed by canned and shelf-stable foods last. If a flood happens in your home, do not eat the foods that may have touched the flood water: non-waterproof containers, cardboard boxes and damaged cans. When it doubt, throw it out!

For more food safety tips when the electricity goes out, visit www.mafoodsafetyeducation.info.

Please notify Ethos of any life threatening food allergies @ 617-477-6606

---

**Winters in New England occasionally provide us with snow emergencies that require us to close. If you are concerned about a delivery due to bad weather, Ethos' closing announcements are listed on local television stations: channel 5 and channel 7.**

**Ethos Nutrition Advice**

If you have questions about our menus, or concerns about your nutrition status, please contact the Community Dietitian, Ani Aroian, RD, LDN, MPH, at 617-477-6606.

**Ethos Meals on Wheels Information**

*From the Desk of Ani Aroian, Registered Dietitian, LDN, MPH*

Every weekday, the Ethos Meals on Wheels program delivers hot, nutritious meals to hundreds of homebound elderly and disabled residents of Allston, Brighton, Hyde park, Jamaica Plain, Mattapan, Roslindale and West Roxbury. The menus cater to many tastes, featuring Vietnamese, Latino, Caribbean, Vegetarian, and Kosher dishes as well as traditional American fare. There are also therapeutic meals available for those who have life-threatening food allergies or need textural modifications.

All meals, including calories and nutrients, meet 1/3 of the current Dietary Reference Intake (DRI) for people ages 51 years or older. This includes one serving high-quality protein daily, a variety of fruits, raw and cooked vegetables daily, and a rotation of high-fiber breads. In addition, we serve low-to-no-salt added foods, which offers heart-healthy options on a daily basis.

For more information about Ethos menus, call 617-477-6606 or visit www.ethocare.org/services/nutrition/meals-on-wheels-menus.

Please notify Ethos of any life threatening food allergies @ 617-477-6606.
