March is National Nutrition Month!

National Nutrition Month is a time to encourage healthy eating habits for all. For older adults, here are some nutrition tips that can help:

- Eat snacks that have a balance of protein, carbohydrates and fat (ex. tuna salad on some wheat crackers, or a half cup of low fat yogurt with fruit).
- Aim for three meals daily. Eating regularly can help maintain energy levels and overall health.
- Practice techniques to reduce your risk for foodborne illness (ex. wash hands and surfaces when touching raw meat, and before/after food prep).
- Add fruits and vegetables raw or cooked with meals and snacks. They are packed with vitamins and fiber!

In an effort to reduce food waste, Ethos requests that all HDM clients call by 9AM the day before to cancel meal deliveries. Please call 617-477-6606 for meal cancellations or further information. Thank you for supporting our effort to reduce food waste!
